

# al goes dental /6/ numb yet?

*Dentist's theater. The doctor and the nurse are standing around Al, taking photographs of the inside of his mouth and recording him.*

**DOCTOR:** All right, now \_\_\_\_\_ you get a shot of the head \_\_\_\_\_ it's a human mouth. And pour me one more shot of whiskey, \_\_\_\_\_? I don't think I could handle this \_\_\_\_\_ drunk first.

**AL:** Hey doctor, now, you said 'this is gonna be nothing', right?

**DOCTOR:** Now look, I've done a thousand of these things... just never in the same mouth. Numb yet?

**AL:** Yeah. You?

**DOCTOR:** Close enough.

**NURSE:** I'm going to go home and slip into something a little more comfortable. I just have this feeling I'm forgetting something. Did I \_\_\_\_\_ the iron?

*A woman is heard screaming in a different room.*

**NURSE:** \_\_\_\_\_ I forgot. Mrs Higginbottom is spitting out teeth like a popcorn machine in there.

**DOCTOR:** Let her rot. Women, they're the lowest form of life. You married, Bundy?

**AL:** Look in these eyes.

**DOCTOR:** \_\_\_\_\_, I'm recently divorced. She got 1.5 mil. I'm not bitter though, she deserved it. After all, she \_\_\_\_\_ a very promising career as a waitress to become my wife for about six months. Almost half a year, you know.

**AL:** Now take it easy, Doc, take it easy. I found out that in life you can't live in the past, or the present, or the future, but you can spend some quality time at a newsstand reading dirty magazines.

**DOCTOR:** Yeah, they can't take that copy of Hustler \_\_\_\_\_ you, can they? Bundy, you're a good guy. Let me tell you what I'm gonna do. I'm not going to dig too deep. I'll do what I can, but you won't feel a thing.

**NURSE:** Doctor, it's your ex-wife's attorney on line one. By the way, I bought this fur coat with your credit card. Is it ok?

**DOCTOR:** Yes, it's \_\_\_\_\_ than \_\_\_\_\_ you bought yesterday.

**NURSE:** And \_\_\_\_\_ more expensive.

**AL:** Hey doc, I think the Novocain is starting to \_\_\_\_\_ a little bit.

**DOCTOR:** Shut up, Bundy... Just shut up. Oh, I'm so mad I'm shaking.
