

I **believe** we **have made** the right decision. Thank you **for being** such a darling these **past** five months.

I **want you to know** that **whatever happens**, it will never change **the way** I feel **about** you. **Still**, I think **we'd do well to avoid writing** or calling each other.

The reason I **called** you **last night** was because the **Lucy "pie" episode** was **on, the one you liked so much**, and I knew **you'd love** to see it.

Anyway, while I **was leaving** a message I **accidentally** replayed your messages. **Sorry about that**. Who's Francisco? **Just curious**.

I was **wondering when might be a good time to drop** the cups **by**.

Why don't you **give me a call at** the office before seven. I **would like you to have** the cups back, because I know you **must be thinking** about them.
