I guess you know why **I'm** here, angela
a lot of people **have seen you drop** the baby
we've been receiving reports all week
people have gone to jail **for dropping** babies, you know
a mother **is supposed to make sure** her kids are ok
and **keep them from getting hurt**
if this **keeps up**, you're **in big trouble**
your kids **might be taken away from you**
at least the one you keep dropping
is that what you want? I don't think so
