women now? friend bar, chance: Audrey, meet?

think chemistry! sweet, drink more fun

all share: work etc. 30 min: date? phone! can better?

guy go talk! long! me? friend know guy?

do wrong? say strange but ok, ladies man: believe

30min: enough! involve: no look, out "nice", ask number?

friend: number? talk for me? or no? why? wrong?

women: all ok or end! ask date: answer?

"3 girls", smile, feel not, "yes!" like French

no doubt common, but other too, only male

both same time, top: ignore, class?

funny? general, exact so know, SJ? ok: kidding

involve guy: you talk women, no wait notice

maybe numbers? next ignore

why "nice?" insult drape, but number yes!

guy or parents! get number! why polite?

10 dates, until 10..., headway? say "great" but...

friend talk? out! no worry, A. no interest, cold: waiter?

Japan 10 yrs? possible: intro-nice-out, manners?

why ignore? mix interest, remind: dates vs talk

end: expect much, talk: nothing, ether off
