

american beauty (1-1) guess who's fighting at dinner

CAROLYN: Hi Jane. Come join us. Your father and I were just discussing his day at work. Why don't you tell our daughter about it, honey?

LESTER: Janie, today I quit my job. I also told my boss to go _____ himself, and then _____ him for almost sixty-thousand dollars.

CAROLYN: Your father seems to think this kind of behavior is something to be _____ of.

LESTER: And your mother seems to prefer that I spend my days going through the _____ in a dead-end job. Another thing that _____ me is the way I'm _____ talked to in this house. But I don't suppose you give a _____ about how I feel, do you?

CAROLYN: How _____ you speak to me like that in front of her?

LESTER: The question is, though, am I wrong? Or let me _____ it another way. My life blows big time. So _____ yours, by the way, except you're not aware of it.

CAROLYN: I hope you don't think for one minute I'm going to _____ you.

LESTER: Haven't you been listening? I already have another job.

CAROLYN: I wonder if it pays as much the one you just _____ off. Last time I _____, serving burgers was not the way to get rich.

LESTER: I just wanted you to know how deeply miserable I've been. And it's all because of you, in case you haven't _____ that out yet.
