

## ANDY, THE D.B.I. (1) ... FILL-LONG

**1** *Hello Andy, and thank you for letting us have this conversation. We'd like to ask you a few questions about your job, which we will probably agree is a little unusual. You are a David Beckham impersonator. How did you think of doing this?*

Well, it began \_\_\_\_\_ me that I \_\_\_\_\_ David Beckham. I just \_\_\_\_\_, you know, \_\_\_\_\_. But then Beckham became a real star - first he was sent off in \_\_\_\_\_ Argentina and then he \_\_\_\_\_ Spice girl. \_\_\_\_\_ people were not only telling me that I looked a bit like Becks, they were actually offering me money \_\_\_\_\_. \_\_\_\_\_, that was an opportunity \_\_\_\_\_.

**2** *But you don't work alone. Your ex-girlfriend, Camilla, is always at your side. How did that happen?*

\_\_\_\_\_ this gig on my own for a few weeks when \_\_\_\_\_ noticed that my girlfriend, Camilla, looked - in a certain light - like Posh Spice, and that maybe, if she \_\_\_\_\_, she'd look \_\_\_\_\_ like her. So \_\_\_\_\_. She had no idea what \_\_\_\_\_, didn't know what she was \_\_\_\_\_, or she \_\_\_\_\_ and shrugged it off.

**3** *Right, she did cut her hair and she became Victoria. Did she like it?*

She hated it. She bought long wigs \_\_\_\_\_ when she went out with her friends \_\_\_\_\_ her with the real Victoria Beckham. These things were itchy and heavy, but \_\_\_\_\_ that haircut, anything was better. She really hated wearing them, \_\_\_\_\_. And I \_\_\_\_\_ to \_\_\_\_\_ she had to put one on.

**4** *What happened next? We know that your relationship didn't hold up. Why was that?*

\_\_\_\_\_, our relationship \_\_\_\_\_ our job. \_\_\_\_\_ the job, the relationship didn't \_\_\_\_\_. Camilla and I soon found that \_\_\_\_\_ this experience that we shared we \_\_\_\_\_. It turned out that each of us had completely different plans for the future. So we \_\_\_\_\_. But Posh and Becks didn't, so we \_\_\_\_\_, \_\_\_\_\_ hard as you might think, because we remained really good friends. There were no \_\_\_\_\_ between us, and \_\_\_\_\_ that we were both very professional \_\_\_\_\_ it.

**5** *Were there any downsides to playing these roles? I mean, did any part of you suffer as a consequence of having to look exactly like the Beckhams?*

Well, Camilla's hair \_\_\_\_\_ out of the whole experience. I mean, Victoria \_\_\_\_\_ a brand new look \_\_\_\_\_ clean pair of underwear, but she \_\_\_\_\_ doesn't think enough about the poor people who \_\_\_\_\_ out of copying each fake nail \_\_\_\_\_. Camilla's hair has been up, been down, been long and been short, curly, flat, big, bad, and if there's one thing she \_\_\_\_\_ her Posh career, I think it's the effect it's had on her hair.
