

ANDY, THE D.B.I. (2) JAPAN ETC.

6 What effect did the role-playing have on you? What did you have to do to look like David Beckham?

Unlike Camilla, _____ I haven't had to _____. I've had the haircuts, _____. There was no _____ that. I've worn the skirts, and I've had to keep myself fit, but _____ the tattoos, the only really important one is _____ people can see, on the back of the neck. So I've got that one. But I didn't _____ get _____ tattooed on, I drew it out and _____ a post office stamp. I just cover it in ink and roll it on before _____.

7 This seems like the easy way out, doesn't it? I mean, isn't it something of a cop-out?

_____. It's hell to _____, and if you start sweating, it starts running down your back _____ at all. So I have to _____ the temperature is _____ every time we do _____ event.

8 You seem to have grasped the opportunities of being Beckham. What else did you do to make people think you were him?

I've improved my footballing skills to resemble the guy more completely. When you _____ some event, you can hear the kids whispering 'is it him?' Then you do a couple of tricks, and that _____ it to them.

9 There must have been some weird experiences, too. What was the most bizarre thing that has happened to you?

Once, _____ Japan, someone found out I had a band back home - and so I released an album in Japan. _____ pretty well, actually. Our first gig _____ programme all about me on Sky One. These are things that don't really happen to normal people, _____?

10 You seem to be quite excited about your career. Does Camilla see it the same way?

Camilla is _____ the opportunities that _____ to us - the travel, the parties, _____ for seven years, we've made full time jobs out of this. But for her, it is only a job. She's really good at turning the mask on and off. If she _____ do that, she'd probably _____. And although it's a weird career, it's a job all the same. Recently, _____, work has started to _____.
