

# sailing the boat /3/ a bunch of stuff

**Rachel:** You're **doing** really well! I **can't believe** how much **you've learned**. Now I'm just gonna **need you to step** to the port side. It's left sweetie, but that's okay, that's **a tough one**. ... The left! Just sit **over there!**

**Joey:** Okay, you're **yelling** again! You **promised not to yell any more**. Just quit **giving me such a hard time**. Oh, y'know what? **Since** I'm here, I think I'm gonna **have** a little beer.

**Rachel:** Okay, we're luffing a little bit, so could you tighten up the cunningham?

**Joey:** You just said **a bunch of stuff** I didn't know. How **am I supposed to** know what all those weird words mean? **I've never heard** any of them before.

**Rachel:** You **can't be serious!** We just **went over** this!

**Joey:** **We did?** That **must have been** when that bird **was flying** overhead with the fish in his mouth. Did you see it? It was **gross**.
