

Does this **look** like a bomb **to** you?

Have you ever **seen** a bomb?

I don't think so.

Oh, **I've been explaining**
this to you for hours.

Why **can't** you understand?

Would / Could you at least try?

I **knew** I **shouldn't** try to explain it to you.

You're not even **listening**, are you?

You **were looking** out the window the whole time.

I **don't care** what you say now

I won't repeat any of it.

Why don't you just get out of here, ok?
