

dammit, it's not a bomb tenses revisited

LOOK like a bomb to you?

YOU EVER SEE a bomb? I **NOT THINK**.

Oh, I **EXPLAIN** this to you for hours.

Why **YOU CAN'T UNDERSTAND**?

YOU WOULD TRY at least?

YOU EVEN NOT LISTEN to me, are you?

I **KNOW SHOULD NOT** try to explain it to you.

You **LOOK** out the window the whole time.

I **NOT CARE** what you say now, I **NOT REPEAT** any of it.

YOU GET out of here, ok?
