

I **can't believe** you did this > I **guess** you're right. I **suppose** so. > hey, **what a great idea** > **boy, does** this suck / **was I thrilled** > **why don't** we start right away? > **I'll tell you what: why don't I stop** over...? > hey, **mind if I take a break?** > **would you mind** telling me...? > listen, **I've been thinking...** / I **was wondering...** > **let me explain** why I think we should go > we lied. -- **what do you mean**, you lied? > can you help me out? -- **actually, I was just going to drive home** > he wasn't Irish. **in fact, it turned out** he didn't **even** speak English

it's ok, I don't want it **anyway** > **so anyway**, as I was saying earlier > I knew he was dumb. **still**, I didn't think... (**even so**) > yeah, I **ended up** crying. it was fun, **though** > **obviously**, you have to... / **apparently**, she was told... > **besides** (also, plus), I'm married so I really shouldn't... > **other than** / **apart from** this, the evening was **almost** perfect > is my wine **as good as yours**? it's **much** better, **actually** > I **barely** know you / this **hardly ever** happens > **extremely** dull, **enormously** successful, **incredibly** cheap, **awfully** cold
