

7 ... metal in bent, together, try: ok! genius! YOU know computer, no nice, amaze » no out, modem, “stuffy” window? Callie involve no hear, open no notice » “now only number, holes for receiver” know same but let, show knowledge » no power but biggest -- necessary pay? -- yes but... -- what? -- good program: use free -- but no do? no seem honest -- no say do! can pay! » defensive, say if other, if impress instead, feel know steal

8 ... show games, play now! me nothing but she “must pick”, sudden cat, mouse like kitten » who window? in room mouse free bed, mother “father”, “no!”, “come in?” open no wait, mouse out “what?” » admit, me open, “no mother, hysterical, afraid”, dad ok, to kitchen, “drive while catch?” “no afraid but shop” “back all ok”

9 ... “cereal? bananas? think any other?” prove no hysterical » cat food -- not much, long need? -- so go if no need -- we ok -- no fair, no me – later, company » adult tone fair? no say rid but see possibility, destroy... -- no! -- screens – if no climb no down, then not in house

10 ... suggest rid, cry, “adult so act, no cry or..., no say rid only talk” » cat mouse elsewhere, walk, under radiator, “think! this cat-mouse!”, Callie look, “know express, this”, hm, “never think” many mean but no think

11 ... Callie keep cat, discussion: me fix, responsibilities so repay, my parents, me too, favor » Callie “very important” so blame without seem bad, but Mr. C always “find way?”, “if wish... -- no afford, autogyro” » yes, still mind, in library, no have but... sometimes ad, memorize, quote nine-year-old » Timo autogyro too, “mail?” know but “what?” “Christmas, no come? better complain” no argue so quiet
