

...3...

not talk day, but **night** yes when suppose **bed**
usually long talk, dad „bed“

Timo lie, **foxes** walk, **convince**, younger, feel stupid
this night no lie, more **autogyro**, tell article
design easy, no **license**, motorized
article with car, WW2 **submarines**, sit see ocean

the lights went off ... foxes ... **convince** ... **even though** ... **embarrassing** ... this
particular night ... **still**, ... submarine ... attach ... **whoever** sat there ... distance

...4...

more talk **wish**, Timo: what do?, say stupid but yes **purpose**
license years, dad pay no **money**, own equipment
in time **better**, now good, people not know contact all **world**,
with Africa little power, **code** easy, than voice

come up with st ... purpose ... have st in mind ... **fancy equipment** ... **get in touch**
with sb ... power ... pocket radio ... code ... far-away

...5...

chance **reach** if highest, best **night** and high, with autogyro, not night?
talk until **dad**, if must say ... no do, Brian! what? Timo half, dad: know good
when **mad** no mess, better quiet, Timo too
rest talk sometimes, Timo excite **pictures**, can do so no Boy Pilot

find out ... climb ... I **figured** ... we **kept talking** ... he won't shut up ...
ridiculous ... **at least** ... mess with sb ... I **figured I'd better** ... every once in
a while ... **excited** ... **take a picture** ... enthusiastic ... remarks
