

calvin and hobbes in „math trouble“

well, problem

answer Y 'cos..., maybe square so 6-3 square

not remember teacher

no know, high numbers so...

but diagonal less

so bigger

no book til homework

finish!

not long, good?

great! when so good not much time

see when back PTA

you talk teacher?!

sure learn much

teacher say good no come, no must go!

mom PTA! dead, stories!

huh?

perspective, but lawyer

when mom back

think here crazy
