

■ \_\_\_\_\_ to get up and leave? I do.  
 \_\_\_\_\_ I did at lunch. Our group headed over to the  
 local Tumbleweed for lunch. \_\_\_\_\_.  
 They have a special lunch menu designed to get you in and out  
 quickly. \_\_\_\_\_. It  
 \_\_\_\_\_ crappy service.

■ We got there around 11:45 and \_\_\_\_\_  
 \_\_\_\_\_ fifteen minutes. So we \_\_\_\_\_ the  
 bar, figuring that maybe we would eat there. But we also noticed  
 the patio was empty and asked if it was closed. The bartender  
 asked a waitress if she would like a table and if she could take  
 care of his "peeps". I shit you not, we were now his peeps.

■ \_\_\_\_\_ we walk out, another big group goes in front of us.  
 \_\_\_\_\_ we knew we \_\_\_\_\_. We are the third  
 group out there. Our waitress gets the other group and then  
 comes over for our order. We place our order around noon.  
 \_\_\_\_\_ 12:10, we notice that our drinks \_\_\_\_\_  
 One girl gets up to \_\_\_\_\_. She tells us the drinks are  
 sitting on the bar. She tried to bring them to us but they  
 \_\_\_\_\_. The drinks \_\_\_\_\_ five minutes.

■ Maybe when the waitress \_\_\_\_\_ you bowls of chips  
 and salsa, it's a telltale sign that you \_\_\_\_\_. At  
 12:25, my friend goes over to talk to a manager. He tells us  
 \_\_\_\_\_.

■ At 12:30, \_\_\_\_\_ more chips and salsa. I  
 \_\_\_\_\_ another margarita \_\_\_\_\_. At 12:40,  
 another girl in the group decides we \_\_\_\_\_. We can't  
 wait \_\_\_\_\_. I agree with her and stand up, putting on my  
 sunglasses. As we turn to leave, our food now shows up.  
 \_\_\_\_\_ forty minutes since we placed the order.

■ We \_\_\_\_\_ door \_\_\_\_\_ the other four  
 people in our group \_\_\_\_\_ eat. WTF? If I \_\_\_\_\_  
 \_\_\_\_\_ service, I will \_\_\_\_\_ and walk out. \_\_\_\_\_  
 \_\_\_\_\_ these people stayed behind. They \_\_\_\_\_ but  
 when \_\_\_\_\_, they sat \_\_\_\_\_.  
 One of them is a \_\_\_\_\_. I bet he  
 \_\_\_\_\_ the burgers we ordered  
 \_\_\_\_\_ them for supper.
