

(wonder) have the **nerve** to do st

not many **do** but sb **does**

that's what (at lunch)

head sw

there is (number) **of** (people)

designed to / **supposed** to (menu get out)

at least (designed for)

it helps if (not bad service)

get sw (noon)

be told (not take long)

(assure fifteen minutes) **tops**

figure (bar good place eat)

just as (walk out another group)

right then (know trouble)

st **hadn't** happened yet (notice drinks come)

check it out

sb **wouldn't** let sb do st

not arrive **for another** (time)

keep giving / **keep** getting

(be) **being** cheated

be **taken** care of (manager promise)

be offered st

feel like **doing** st (at that point margarita)

have had enough (girl decide)

not **anymore** (not be going to wait)

it **had been** ... since ... (forty min. place order)

join sb (assume, be wrong)

let sb **know** (be supposed to)

couldn't **believe**

when **the time** came

actually do st **about** it

I bet (after leave ask wrap)

get sb **to** do st

so that (have for supper)

----- **BONUS**

no **point** in doing st (complain)

be **worth** doing (no food wait this long)

as long as (allowed chips no complain)

even if (bring leave)

no **matter** (times complain)

in case (more chairs, more people)

be **getting** angry

had been doing st (wait, food in)

shouldn't have to (complain get food)

in fact (nerve leave, the other day)

despite (tough talk, stay behind)

what a ...! (way treat loyal customers)
