

family guy /2/ married for children

next question will be about your family. you're married, aren't you? how did you and your wife first meet? when you proposed to her, did she say yes right away or did you have to wait for her to make up her mind?

1 married **2** fifteen years. **3** began dating when we **4** together. I was **5** her. **6** I **7** noticed her but soon I began to look **8** her **9** my cubicle. One day I **10** ask her out. We went **11** and then we went to this nice little bar down the street. We both **12**, laughing and telling stories. **13** with a girl before. **14** I proposed to her. She **15** about it but **16** she said yes. We were married that summer.

do you and your wife still love each other? does she kiss you when you get home from work? do you look forward to talking to her? or are there a lot of fights between the two of you?

I **1** but it's not that easy. We don't talk **2** often as we **3**. I **4** if I **5** I am crazy about Lilly **6** I was in the early days. Or that I **7** her when I **8** work. The **9** that this marriage **10** a habit for both of us. **11** we see each other every day, we don't really talk **12**. We've gotten **13** quiet **14** each other. We don't **15**, **16** but that's because we live two separate lives. We **17** anything so there's **18**.
