

# friends: the **break /2/** the picnic basket

**RACHEL:** Hi. Look, **about what** happened **earlier**...

**ROSS:** I completely understand. You were **stressed**.

**RACHEL:** I **was gonna** give you a chance to apologize to me.

**ROSS:** **For what? For letting** you throw me out of your office?

**RACHEL:** You **had no right coming** to my office. **You do not** bring a picnic basket to **somebody's** work! **Unless** maybe **they were** a park ranger!

**ROSS:** Yeah well, excuse me **for wanting** to be with my girlfriend on our **anniversary, boy what an ass am I**.

**RACHEL:** But I told you, I didn't **have the time!**

**ROSS:** Yeah well, you never have the time. I mean, I don't **feel like I even have** a girlfriend **anymore**.

**RACHEL:** Ross, what do you want me to do **about** it? You want me to **quit** my job **so you can** feel like you have a girlfriend?

**ROSS:** No, but **it'd be** nice if you realised it's just a job!

**RACHEL:** Do you realise this is the first time in my life I'm doing something I **actually care about**. This is the first time in my life I'm doing something that I'm actually **good at**. I mean, if you don't **get that...**

**ROSS:** No, I get that, I get that **big time**. And I'm **happy for** you, but I'm **tired of having** a relationship with your answering machine! I don't know what to do **anymore**.

**RACHEL:** Well **neither do I!**

**ROSS:** **Is this about** Mark?

**RACHEL:** Oh my God. I cannot **keep having** this same **fight over and over again**, Ross, you're **making** this too hard. Look, maybe we should **take a break**.

**ROSS:** Okay, fine, let's take a break, let's **cool off**, let's **get** some frozen yoghurt or something...

**RACHEL:** No. A break from us.
