

the iron man stealeth

ok, so **who came up with** this idea?

I don't **care** who came up with it

the rights **have to be bought otherwise...**

we're not buying any rights from anyone

what if we're stealing the idea **from** someone?

even if we are, they'll never find out **anyway**

why don't we at least make a few changes?

but that would **make it less** interesting

but then there's no **risk of getting sued**

ah, you don't have to worry **about getting sued**

what do you mean? we're **gonna have to** pay

it's all going to be paid for by taxpayers, **it always is**
