

1. **What Happens In The Next Two Weeks?**  
writing on wall → end → \$2,500 → bills
2. **Who's To Blame?**  
market → analytical → nothing right → start company
3. **What's Next?**  
self-pity? → terror → bills and new job  
credit-card debt → consequences? → not lawyer → hard way
4. **What's Going On At This Point?**  
president friend phone → radio buddy invest? → Harley Davidson → no call  
guy in L.A. → no call → every time → irritating → opportunity
5. **Scott's Mistakes**  
late start → unwise spend but no chair → strategy – painful  
cool if → work if → more investment before no money? → money for  
promotion → wish no idea
6. **Bitter Victories**  
things right → bitter → feel tell? → will happen → nightmare → rehearse
7. **Pompous Venture Fund Incorporated**  
presentation → our fate → their CEO → don't believe → cards → play game
8. **Scott's Career**  
temp for global co. → director promote and hire → more skills → end work  
five years → get idea → giggle → idea and ayahuasca → another story
9. **Wasting Money and Time**  
convincing people → bad timing → decisions → replace → waste effort  
leads dry → suspicion → not actual CEO → paralyzed
10. **Looking Back**  
likelihood → instincts → technical slave → director “look back”  
no focus → no money to accomplish → belong at helm? → major reason
11. **Waiting For Something To Happen**  
loss → wait → develop and phone but... → meeting fine but...  
investors → boss kick ass → back to consulting → back to life → blame  
computers
