

## jennie's job (1) my parents and summer

Two days ago I had my last day of school. I'm going to have a two-month holiday now. Last year I spent the whole summer watching TV or hanging out with my friends. But this year is going to be different. My parents have \_\_\_\_\_ told me that they expect me to get a job. I'm \_\_\_\_\_ to work for a month during this break. I'm not too happy \_\_\_\_\_ it but I know that they're usually right about these things. I have never \_\_\_\_\_ work for pay and I know I \_\_\_\_\_ have to sooner or later. So maybe this is a good time to start.

So these past few weeks I've been thinking \_\_\_\_\_ about \_\_\_\_\_ exactly I should do. I \_\_\_\_\_ where I would feel the most comfortable working. My dad gave me two choices. I could \_\_\_\_\_ work at his workplace or I could start looking for a job outside. I \_\_\_\_\_ thought about finding a job outside. I mean, working for my dad would be \_\_\_\_\_ easier and safer than getting a job where I didn't know anyone. But \_\_\_\_\_ the same time I wonder how I would \_\_\_\_\_ difficult situations on my \_\_\_\_\_.
