

THE LADY WRITES **FIRST**

CIRCLE OF HELL

Anyway, enough of world news, how about yours? I was very _____ about the offer from the University, and thought it such a pity that you couldn't _____. If there was a decent fast train service between UH and Prague, it _____ quite possible and it would have been such a wonderful change and relief for you. I think in jobs like teaching, a person really _____ after ten years or so doing the same thing. Certainly, it can be wonderful moving (_____) from teaching children in school to teaching at university.

You, of course, _____ do have a very good situation, but you are VERY overqualified for it and really _____ at a higher level. (Though as I always said, I thought you would be a WHIZ at high level administration, with all your famous lists! Besides, you have all that energy and dynamism that doesn't really _____ at your school). _____ many times when you could wish the Prokops in the first circle of hell and the English language with them.

**as I did » does get 'burnt out' » have enough to work on »
in many ways » interested to hear » should be teaching »
take it up » there must be » would have been**
