

THE LADY WRITES **MO' HAWKS**

The Mohawks in the news live on a reservation which extends across the US-Canadian border: they had been _____ millions of dollars smuggling cigarettes across the border and having illegal _____ on their reservation (_____ is how they could afford the money for all those expensive weapons). They were also helped by a lot of ex-Vietnam veterans from the US, who knew all about _____ guns and bombs etc.

The basic question is, of course, about the Indians' claims to enormous _____ of Canada which they, with some justification, maintain was taken from them when the White Man came. As a group though, it is hard to feel very sympathetic _____ them, as they seem so hopeless and useless and primitive. However, their case _____ need to be looked at again, carefully. The incident this summer DID succeed in getting absolutely _____ attention (fortunately not Brigitte Bardot's this time, she only _____ seals).
