

# THE LADY WRITES TINY CZECH-CANADIAN

How are plans for the language school \_\_\_\_\_ ? I didn't realize you were thinking \_\_\_\_\_ on it so quickly, but I heard from Irene, who mentioned that she \_\_\_\_\_ an advertisement for it in the paper, or somewhere. Also, \_\_\_\_\_ the plan for you to take a group of students to England?

Irene also mentioned that Sidney had had a heavy romance with one of the students, but had since disappeared. (Not, I hope, leaving a tiny Czech-Canadian behind?) Any news of Sidney? Is he still wandering about Europe, full of \_\_\_\_\_ ?

And what else? Do you miss Michael Junior? Does he come home weekends or write \_\_\_\_\_ ? Oh, can you please tell Michael Snr that I have not forgotten the things I promised to do or get for him and that SOON these will be done. Does he still fish at this time of year? Or is it all football? The climate here is very strange, \_\_\_\_\_ it is burning hot until September 1, \_\_\_\_\_ winter begins. It's quite pleasant at the moment, though everyone, \_\_\_\_\_ me, got terrible colds and coughs when the weather changed.
