

lee elia's rant

*(Fuck those fuckin' fans who come out here and say they're Cub fans that **are supposed to be behind you**, rippin' every fuckin' thing you do.)* I'll tell you one fuckin' thing, I hope we get fuckin' hotter than shit, just to **stuff it up** them 3,000 fuckin' people that **show up** every fuckin' day, because if they're the real Chicago fuckin' fans, they **can kiss my fuckin' ass** right downtown and PRINT IT.

They're really, really behind you **around here... my fuckin' ass.** *(It's nobody's fault 'cos you guys are writing good.)* What **the fuck am I supposed to do**, go out there and let my fuckin' players **get destroyed** every day and **be quiet about it?** For the fuckin' nickel-dime people that **show up?** The motherfuckers **don't even work.** That's why they're out **at** the fuckin' game. They oughta go out and get a fuckin' job and **find out what it's like** to go out and **earn a fuckin' living.** Eighty-five percent of the fuckin' world is working. The other fifteen come out here.

A fuckin' playground for the cocksuckers. Rip them motherfuckers. Rip them fuckin' cocksuckers like the fuckin' players. We got guys **bustin' their fuckin' ass**, and them fuckin' people **boo.** And that's the Cubs? **My fuckin' ass.** They talk about the great fuckin' **support that the players get around here.** I **haven't seen** it this fuckin' year. **The name of the game is** hit the ball, catch the ball and **get the fucking job done.** But right now we have more **losses** than we have wins. But the fucking changes that **have happened** in the Cubs organization are multifold.

Alright, they don't **show** because we're 5 and 14... and unfortunately, that's the criteria of them **dumb** fifteen motherfuckin' percent that come out to day baseball. The other eighty-five percent are **earning a living.** I tell you, **it'll take more than** a 5 and 13 or 5 and 14 to destroy the **makeup** of this club. I **guarantee you that. There's some fuckin' pros out there** that wanna fucking play this game. But **you're stuck** in a fuckin' stigma of the fuckin' Dodgers and the Phillies and the Cardinals and **all that cheap shit.** All these motherfucking editorials about ... it's **sickening.** It's unbelievable. **It really is.** It's a disheartening fuckin' situation **we're in** right now. 5 and 14 doesn't negate all that work. We **got 143 fuckin' games left.**

What I'm tryin' to say is don't rip them fuckin' guys out there. Rip me. If you wanna rip somebody, rip my fuckin' ass. But don't rip them fuckin' guys 'cause **they're givin' everything they can give.** **Once we hit that fucking groove,** it will flow. It will flow, the talent's there. I don't know how to **make it any clearer** to you. I'm **frustrated,** I'll guarantee you I'm frustrated. It'd be **different** if I walked in this room any day at 8:30 and saw a **bunch** of guys who **don't give a shit.** But they give a shit. It's a **tough** National League period...
