

a matter of life «easy» /1/ drifting

It's pretty hard to say **1** the worst years of my life. But **2** how bad **3** I never **4** completely. **5** wall in one area of my life, I **6** something **7**. You know what **8**. **9** god **10** door, he opens a window.

After I **1** high school, I **2** things I **3**. The first few years after high school **4**. I had **5**, I couldn't **6**. **7** do was be a stock clerk. I hate this kind of work, **8**, so you won't **9** that I **10** **11** during those years.

I **1** tried the Navy but I **2**. I've always **3** things people told me **4** I really wanted to do it. I **5** when I **6** do something that I wasn't **7**. And if there's one thing that the Army **8** you, it's that you **9** orders you **10**.

a matter of life «easy» /2/ navy, school, miami

I **1** back from the Navy and **2** a schoolyard in second-hand clothes **3**. The Navy **4** my fallback, now it **5**. I was crushed. I went back **6** jobs that I hated and I **7**. Finally I realized that I had **8** college. So I went to college full time and worked part time.

I **1** in school but **2** the more stressed out I felt. I got so nervous I couldn't study anymore. So I **3** school too. **4** I really didn't know what to do with myself. I didn't **5** back to those lousy jobs. I **6** there was **7** anything new and I decided to go **8** and kill myself there.

I **1** the best place **2** and finally I settled on Miami. **3** into Miami, I **4** sit under a nice tree and stop **5**. But I changed my mind **6** about to get on the plane. **7** I still wanted to live **8** I had no idea what I **9**.
