

# **lisa & michael /1/ hi, I'm lisa**

**Lisa:** Hi. My name is Lisa and we \_\_\_\_\_ never met and you have no idea who I am or why I'm calling you but I was \_\_\_\_\_ if maybe you could help me out. Please don't hang up.

**Michael:** Uh... ok.

**Lisa:** I'm an American, as you probably can \_\_\_\_\_ from my accent. I've been in this town for a few weeks now and I don't think I'll be leaving any \_\_\_\_\_ soon. There's this other American girl that I live \_\_\_\_\_, Mary. You \_\_\_\_\_ have heard of her.

**Michael:** Uh... no.

**Lisa:** \_\_\_\_\_, we're living in this apartment near this kindergarten... why am I telling you this? I'm sorry. The thing is, I think I'm going to be staying here for \_\_\_\_\_ some time and I'm sort of looking for people to \_\_\_\_\_ out with. So I went to this bar last night and I was talking to this guy and he seemed pretty \_\_\_\_\_ but he gave me your number and he said you \_\_\_\_\_ be interested in \_\_\_\_\_ to me and maybe help me get a job.
