

Mum, Everyone Has One /6/ Guess What

Wednesday. Back home Lucy shuts herself into the **bathroom** for another important call. "It's me again. _____ what - I _____ the exam! I know. Cool. What? OK then. No, I can't. He's not going, _____. No. Maybe. I'll tell you tomorrow if I don't ring tonight."

Thursday. Lucy **returns** a call from Susie who has _____ a message on her phone earlier on. "Hi, Susie, it's me, Lucy (giggle). Ring me back as soon as you can. On my mobile. Not the kitchen phone (more giggles). Bye." "

My _____ for technology is dented by a **breakfast** that is _____ by a number of calls from Alison, Catherine and Belinda about today's exams. There's no time for post-breakfast **piano** _____, _____ a performance coming up.

_____ by exams, Lucy goes to bed early. I then discover her _____ mobile under the pillow. "Tasha phoned me," she explains guiltily, "to _____ me about the **hockey** match." HmMMM.
