

# crossed signals

with who talk?

**Nguam, Africa**

where?

**no sure**

how possible?

**wander**

no know country?

**maybe borders**

no stop if borders?

**no interest borders**

part Africa?

**diamonds hear**

central? Congo?

**hear Congo**

kidding! stop!

**the sky is high and so am I**

# vive la consistance

quiet dad not hear

**if no bed mad**

no old for up

**think schoolboys**

little right like kids

**but no critical**

maybe not smart like he

**grow and show**

now better quiet

**school black eye**
