

pizza complaint /2/ an ass hair from getting fired

"So he says, 'Well, Matt, you are the **person** I spoke with, aren't you?'" Wheaton said. "**Right then and there**, I knew this guy **was gonna be trouble, remembering** my name like that. **Sure enough**, he cuts loose with, 'Could I please speak to the manager? Perhaps he can help me get my money back.'"

Wheaton said he **wasn't fooled by** the customer's **request**. "That guy didn't just want his money back," he said. "He wanted to **rat on** me."

Though manager Vance Endries was **in the back of** the store facing dollar bills, Wheaton told the furious customer that he **had stepped out** for a few minutes "to go to the bank or something."

"Normally, I **wouldn't care** if somebody **bitches me out** to the boss," Wheaton said, "but after **skipping work** twice last week, I **was an ass hair from getting canned**."

Threatening to call back later, Marchese **asked for** Wheaton's last name. Wheaton told him it was Jones. As an added protective **measure**, for the rest of his **shift**, Wheaton answered the phone with an accent somewhere between French and Jamaican. Though Marchese did not call again, he **showed up in person** the following day.
