

# when **in** rome ... claire

**už jsme v Římě týden a celou dobu je horko**

so why is that tall man wearing such a heavy coat?

**no, ty už tady žiješ dva roky, nosí hodně lidí kabát?**

I haven't seen anyone wear a coat in this city in the summer

**podívej na něj, chodí tam a zpátky, vypadá to divně**

and he didn't even look at me when I said hello to him

**co budeme dělat? zavoláš policajty?**

I thought about it but they will never believe me, it's no use

**jak dlouho už tady čeká? a na co čeká?**

he walked in when we were buying our tickets, it's been over 20  
minutes

**takže mu už ujely čtyři vlaky, proč nenasednul když  
zastavily?**

he doesn't care about the trains, does he? let's get out of here
