

# rugby /1/ **dead red ross**

*Ross is getting killed in a rugby game as Emily's Irish friends are determined to prove what a tough bunch they are.*

**Ross:** Did you see me? I was pretty good, huh? That is **a fun** game. Hey, could you **do me a favour**? Could you just **grab** me a bottle of water? I think I'm dying. **I really do**. Tell my son that I love him.

**Emily:** Ross, they are killing you **out there**. This is just **halftime, there's more of** this. I can't believe they're doing that **to** you. I told them to **go easy on** you.

**Ross:** **I'm not quitting. No way.** I'm Red Ross.

**Emily:** If you go back out there, you're gonna be Dead Ross.

**Ross:** I **don't care. I am not quitting. I insist on finishing** this game.

**Emily:** All right, if you **insist on doing** this, **at least let me** help you. I **may** know a few things that **might** help you. Listen **closely**, Devon has got a weak ankle. One **swift** kick and he'll **back off**. And that big guy with the **beard**, that's Liam. He has got bad knees. You **hit him right** and he'll go down like a lamp.

**Ross:** But Liam's **on** my team.

**Emily:** I **don't care.** You just **get him.**
