

Since we have been faithful to you, we know that you will send us some good fortune one of these days, even though you sure as hell seem to be taking your sweet time.

I went to the shop before it **got busy**. The artists were **sitting around** on a couch **just sort of bullshitting**.

Finally someone asked me if I **was** looking for anything **particular**. The guy **from the night before had been staring** at me the most and he suddenly, **out of nowhere**, just says, "I'll give you a free tattoo **if you'll be** my girlfriend."

All the guys **laughed at** him, started **teasing** him and **calling** him **pathetic**.

I **turned red** and said something **to the effect of** "I don't know if I'll ever **get married**."

Some guy said I **was** a smart girl and started **teasing** some other guy there who **had gotten married to a girl he barely knew** and **screwed up** his life **in some manner**.
