

storyville /4/ lilith's plans (easy)

LILITH'S PLANS Roy, I talked to my friends in business affairs and they say they're ready to **close our deal** _____. your agent Lilith's _____. I also heard a **rumor** that KCRW isn't **happy with** their **regular** hosts and I think she's trying to

a moron
call the shots
change ^{one's} **mind**
except
go out of ^{one's} **way**
hold st **up**
meanwhile, ...
suck up to ^{sb}
take ^{one's} **chances**
take over
the trouble is, ...
there is no way...
weirdo
what about ^{st?}
why is that?

make them think you should _____. I'm worried you'll **drop** me and find another assistant. — *Well Tracy, **even if** that was Lilith's plan, you're forgetting that it's still my career and I'm _____, _____ I would continue doing shows on KCRW.*

BLACKOUT FALL-OUT The **blackout** hit **just as** the elevator doors opened on the fourteenth floor. So I stood in the hallway **trying** to decide **whether** to come back in here with you guys or _____ on the dark streets with the **muggers** and the _____. So I went down a couple of floors and then I _____.

someone's probably **broken into** my apartment!

NO TIME FOR PEOPLE I don't understand this, Lister. You're lazy, you've got no **sense of discipline**, but people like you. **Now** me, all the **ingredients** are right. I'm **disciplined**, I'm **organised**, I'm **dedicated to** my career, I've always got a pen. Result? Total **asshole despised by** everyone except the ship's parrot. And that's only because we haven't got **one**. _____? — *I suppose it's because you **actually** are a total asshole, Rimmer. See, _____ you've never got time for people. You're **too busy trying** to be successful. — I have got time for people. _____ all the time I spent _____ the captain **even though** he was a total _____? I _____ to **get him to like** me.*
