

storyville nine / easy

an adorable tea cozy This morning I told Leonard about my plan to stop buying from catalogs. "_____", he said. **Although** he certainly likes to complain, Leonard **is pretty fond of** catalog shopping **himself**. **Anyway**, I promised to _____, and I will. Those catalogs are going straight to **the trash from now on!** Well, I guess I'll still _____ a few of **the ones** I really like now and then, _____ there's something I absolutely must have. **For instance**, there's this tea cozy in this one kitchenware catalog that's just **adorable!** It's **shaped like** a little gargoyle who's leaning over the teapot, _____ say, "_____, buddy!" Where do they _____ these things? After that, I'm _____, and I _____!

no place to hang out I've been real busy _____. See, I've been **waiting tables** at Barry's Supper Club three nights a week. **At first**, I _____, "_____"! It's **at night** so I can **party** after work and _____. But believe me, it just ain't **that** easy. **By the time** I'm **done having** my boss _____ me all night, I can't find any of my _____ **around** after work, so I just have to go home and watch HBO. Man, that _____ when you want to party and **got no place to go**.
