**SAYING GRACE** Before we **eat** let's say grace. Lord, we thank you for **bringing** us this **huge pile** of frozen waffles. And **since** we **have been faithful to** you, we know that you will send us some good **fortune** \_\_\_\_\_, **even though** you \_\_\_\_\_ seem to \_\_\_\_\_.  
\_\_\_\_\_. Amen.

**FREE TATTOO** I went to the shop before it \_\_\_\_\_ and **looked around at** some of the drawings. The artists were \_\_\_\_\_ on a couch in the front of

**BE BULLSHITTING**  
**BE TAKING ONE'S TIME**  
**GET BUSY**  
**IN SOME MANNER**  
**ONE OF THESE DAYS**  
**OUT OF NOWHERE**  
**SCREW<sup>ST</sup> UP**  
**SIT AROUND**  
**SURE AS HELL**

the store just **sort of** \_\_\_\_\_, but the guy from **the night before** wasn't saying much. Finally someone asked me if I **was** looking for anything **particular**. The guy from the night before **had been staring** at me the most and he **suddenly**, \_\_\_\_\_, just says, "I'll give you a free tattoo **if you'll be** my girlfriend." All the guys **laughed at** him, started **making fun of** him and **calling** him **pathetic**, saying, "Yeah, girlfriend for a night!" and he looked **hurt** and looked at me and said, "No, really... marry me." I **turned red** and said "I don't know if I'll ever **get married**," which was a good answer because some guy said I was a smart girl and started **teasing** some other guy there who **had gotten married to a girl he barely knew** and \_\_\_\_\_ his life \_\_\_\_\_.
